WELCOME TO THE TEKGROUP

Your specialist solutions provider.

At TekGroup the success of our customers projects is our number one priority, which is why we have built our business around the needs of our customers, and the challenges they face.

We specialise in Insulation & Acoustics, Construction Accessories, Screeds, Render, Underfloor Heating Solutions, Dry Scream, Drylining Solutions and Passive Fire Protection, providing our customers with the best product solutions to suit their projects.

With a large stock holding and an extensive fleet of commercial vehicles, our customers can trust us to deliver exactly what you need, when you need it, 24 hours a day, no matter the site restrictions.

But, it doesn't stop there.

Our customers also have access to our specialist manufacturing service. Creating bespoke product solutions off site to suit the demands of our customers individual sites, saving time, money, and waste.

We are constantly evolving our services and offering to suit the ever-changing needs of our customers and the challenges they face within construction.

So, if you have a problem, challenge us to find the solution.

OUR PROMISE TO OUR CUSTOMERS

Without our customers, TekGroup wouldn't be where we are today, and that's why we put our customers at the heart of everything we do.

We know that construction can be a complicated business, that's why at TekGroup, we keep things simple by talking the language of our customers. It's in our nature to be open, down-to-earth and helpful, and we want our customers to see us as an extension of their business. Our specialist sales teams have years of experience in the construction world and their industry know-how is hard earned. So, if you have a problem, we are ready to find a solution.

TEKGROUP ARE EXPERTS IN Render Solutions.

At TekGroup, we are dedicated to servicing the needs of our specialist customers, and pride ourselves on providing everything a renderer could ever need, **and more.**

We don't just supply products... WE SUPPLY FULL SYSTEM SOLUTIONS.

Providing a whole system solution, we stock a wide range of textures, finishes and colours to suit the style and needs of the property, including:

- Base Coat
- One Coat Render
- Thin Coat Render
- External Wall Insulation Systems
- Brick Slip Systems
- Aggregates / Dash Systems

Plus, we also stock a variety of other external wall system components and ancillary products.

OUR MANUFACTURING PARTNERS

In close collaboration with some of the UK's most trusted render manufacturers, **we hold the largest UK stocks of the best external render in the market...**

And it doesn't stop there...

We also offer a comprehensive range of external wall insulation system components and ancillary products from leading manufacturers, including BBA approved systems for K Rend, Parex and Weber.

OUR RANGE INCLUDES:

- External boards
- Insulation
- Beads
- Mesh
- Fixings
- Window Protection
- Tapes

From manufacturers including but not limited to:

In addition to our extensive product offering, we have over 1000 pallets of render in stock in our warehouse at all times. This means everything we deliver to our customers is direct from stock, allowing us to offer shorter lead times on our full render solutions range!

Why choose TekGroup as your render supply partner?

TekGroup was created with one goal in mind, to offer exemplary service to customers in specialist markets which often get overlooked by larger distributors, and that is still true today.

With an enviable stock profile, in-house tinting machine and over 45 vehicles delivering to the UK, TekGroup are able to provide the one stop shop for renders.

OUR RENDER TECHNICAL TEAM

With a combined experience of over 40 years, our National Render Managers have developed a UK centre of excellence for render systems, offering impartial advice on all the major manufacturing brands.
