## OUR JOURNEY

**FEBRUARY 2013**

TEKFLOOR BEGINS TRADING  
Entering the market as a screeding distributor,  
**dedicated to servicing the needs of screeders.**

**OCTOBER 2015**

Tekfloor becomes FORS registered.

**MAY 2018**

We break into the world of **external render.**

**FEBRUARY 2019**

We upgrade our fleet to brand new vehicles, including Moffetts, and achieve FORS Gold.

**JANUARY 2018**

Tekfloor HQ moves to Goldthorpe.

**JANUARY 2019**

UKSE invests in Tekfloor to support our growth plans and to create local jobs.

**MAY 2019**

We increase our product range with **specialist insulation.**

**JANUARY 2020**

We expand into unit 2 at Goldthorpe launching our manufacturing service, offering thermal laminates, routed UFH boards and offsite cutting.

**100**  
THOUSAND  
SQUARE FOOT OF  
WAREHOUSE

**SEPTEMBER 2022**

We develop fabricated products to enter the **ceilings, HVAC and fire protection** market.

**JULY 2022**

We acquire Unit 3 at our Goldthorpe site to allow for more stock and manufacturing capability.

WE CURRENTLY HAVE MORE THAN

**200** THOUSAND SQUARE FOOT OF WAREHOUSE  
PLUS OUR OWN FLEET OF OVER **45** VEHICLES

**NOVEMBER 2022**

We expand our product range further to include **groundworks.**

**FEBRUARY 2023**

We rebrand as TekGroup at our 10th anniversary party

OUR NEW NAME REPRESENTS THE GROWTH OF THE BUSINESS OVER THE PAST DECADE, AND ALLOWS FOR US TO FURTHER EXTEND OUR EVER GROWING PRODUCT OFFERING.

# MANUFACTURING AT TEKGROUP...

## OUR FABRICATION SERVICES

### Cutting

We pre-cut wide range of sheet materials, resulting in faster and easier installation for our customers.

### Machining

Our range of in-house specialist machinery allows us to tongue and groove profile edges, and CNC detail and drill, our vast range of materials exact to your specifications.

### Lamination

We can provide a wide range of laminated products to meet specific acoustic, thermal, and fire requirements.

### Conversion

Processing insulation and other materials, by cutting, facing and encapsulation to provide unique bespoke solutions.

### Development

We can work with you and your team to manufacture jointly developed thermal, acoustic and fire rated solutions.

## FOCUSING ON OUR CUTTING SERVICE

Designed to save customers time and money, plus reduce dust and waste on site.

- ✓ Strips
- ✓ Baffle Boxes
- ✓ Plywood
- ✓ Pattresses
- ✓ Glasroc
- ✓ Cement Particle Board
- ✓ V-Cuts
- ✓ Plasterboard
- ✓ Insulation

## OUR PRODUCT SOLUTIONS

### Ceiling Solutions

We manufacture a range of products, designed to meet thermal, acoustic and fire requirements within any ceiling system.

### Thermal Laminates

We work with the leading manufacturers of insulation and gypsum board products, meaning we can provide our customers with bespoke laminated boards to suit any project requirement.

### Converted Options

Our range of faced and encapsulated products, manufactured to meet specific acoustic, thermal, and fire requirements within the construction envelope, as well as, for the HVAC market.

### Underfloor Heating Boards

We produce a range of gridded and routed boards, designed to allow for faster and more efficient installation of the underfloor heating pipes and to efficiently transfer heat throughout the room.

## OUR PRODUCT RANGE...

### INSULATION & ACOUSTIC SOLUTIONS

We offer a wide variety of insulation products to suit practically any construction requirement.

#### Insulation

With a wide range of stocked materials suitable for floor, wall and roof applications, meaning we can deliver the right insulation products, exactly when you need them.

- ✓ PIR
- ✓ EPS
- ✓ XPS
- ✓ Glass Wool
- ✓ Rock Wool
- ✓ Multifoil

#### Acoustic

Offering quick turn around on our wide range of Rubber, PE Foam and many other acoustic products suitable for floor and wall sound reduction applications on both domestic and commercial projects.

- ✓ Acoustic Rolls
- ✓ Acoustic Slabs
- ✓ Ceiling Solutions
- ✓ Isolation mats
- ✓ Dampers
- ✓ Mounting Systems

### GROUNDWORKS SOLUTIONS

At TekGroup, we offer a wide range of cost effective, high performing specialist groundworks products.

#### Our wide range of groundworking products includes:

- ✓ Insulation
- ✓ Ground Heave
- ✓ Ventilation
- ✓ Membranes and Barriers
- ✓ Cement

Plus all the primers, tools, fixings and accessories that you need to complete any project.

#### CUT INSULATION STRIPS

As part of our manufacturing service, we can provide cut strips of **PIR** or **EPS insulation** bespoke to your requirements to limit thermal bridging, ensuring your projects meet Part L energy efficiency building regulations.

For more information please contact your account manager.
